ONGOING MUSEUM ACTIVITIES

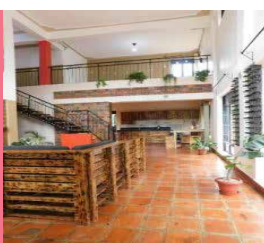

Inspiring children has been always at heart and through our programs we mentor and guide children through their creative thinking process daily. It is honoring that parents and visitors entrust us with children and through the activities we explore various art forms.

Vipawa is rallies for donations in kind art materials and equipment for the museum programs. These donations support the work of the museum in reaching more children through the generocity you share.

The museum T - shirts are out and ready for sale in support of the museum work. We have both for children and adults. Thank you for supporting our calls always.

ONGOING MUSEUM PROPERTY FUNDRAISING

Help us raise donations towards the Vipawa Children's Art Museum Property. Museum was founded in 2017 with the aim of bringing children's art to life, securing a rich heritage for African cultures; is raising UGX 855,600,000 equivalent of USD 220,063 funds for its permanent 3

acre land by the lakeside onging 2024. The museum currently at its temporary small space that has outlived its time and under attack by termites, hence the need for a permanent land to harness creativity, play and the visitors. This later will position the museum for its permanent

artistic museum design on the land. Any financial giving towards the property acquisition for the museum is highly appreciated. Thank you for supporting our work.
